**Additional Backup Information**

A proposal to rename the 735 foot portion of Gregg Lane identified on the attached ordinance has been initiated by 911 addressing. In a recent County Improvement Project, Travis County changed the name of Gregg Lane to East Howard Lane, except this portion of the roadway inside the City of Austin's jurisdiction. All property owners agree with this renaming for the purpose of providing name continuity along the entire roadway.

Staff has determined that this request is consistent with City regulations and recommends approval. AFD, APD, EMS and 911 addressing concur with this street name change.
